Window 7 - Hawaiian Font Support

Fonts highlighted in light green contain all of vowel-macron combinations and the ‘okina in its preferred location. Those highlighted in yellow have all vowel-macron combinations but lack the ‘okina in its preferred location. All others have missing vowel-macron combinations. To download a keyboard that will allow you to type Hawaiian using these fonts, visit: http://www.olelo.hawaii.edu/enehana/winkbd.php and select "Download "Hawaiian Unicode Keyboard" For Windows".
